

NEW VEHICLE FOR ANIMAL CONTROL

Shown above is Councilman Paul Ruggiero (left) and Town of Newburgh Supervisor Gil Piaquadio (right) standing next to a new vehicle for the Animal Control Department.

The Town has a new vehicle that is customized to meet the needs of our busy Animal Control Department. This new vehicle replaces a vehicle with over 200,000 miles.

Town of Newburgh Supervisor Gil Piaquadio thanked Councilman Paul Ruggiero for his efforts and suggestions for improving this important department.

Supervisor Piaquadio went on to thank all employees in the Animal Control Department for their hard work and dedication.
