Tax Map #: N/A

Proposed Action: Expands and/or introduces additional mailing and posting requirements for notices of application and public hearings for clearing and grading permits, subdivisions, wireless telecommunications facilities and site plans.

Local File #: N/A

Reason for County Review: Adoption of a Local Law which affects planning and/or zoning within 500 feet of State and County highways and municipal boundaries.

Date of Full Statement: February 11, 2012

Comments:

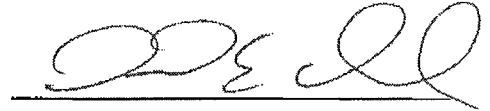

County Planning has received the above referenced Local Law and has found no evidence that significant intermunicipal or countywide impacts would result from its approval. Our office would like to include the following as advisory comments:

1. County Planning would like to commend the Town Board for reviewing and incorporating portions of our original comments into the language of the Local Law.
2. Under Section 4, 125-10 Variances, Our office recommends that the sentence regarding the "official newspaper of the Town" be consistent with other references which include "newspaper of general circulation".
3. County Planning is still concerned with the use of "newspaper of general circulation". Although the local residents are aware of which papers this may consist of, potential Applicants that are not from the area may not know or be able to determine which paper is of "general circulation". Our office recommends that the Local Law provide information of who will notify or where the

Applicant is able to identify the “newspapers of general circulation”. This would most likely be the Town Clerk; another option would be to utilize the LLC Newspaper Designations outlined by the County Clerk, which is viewable at <http://www.orangecountygov.com/content/124/861/891.aspx>. Although not an exhaustive list, it would be a place that Applicants are able to view a list of common newspapers in the County.

WHEREAS, the Town Board of the Town of Newburgh has caused to be prepared a local law which will implement amendments to provisions of Chapter 83 Entitled "Clearing and Grading", Chapter 125 Entitled "Noise and Illumination Control", Chapter 163 Entitled "Subdivision of Land", Chapter 168 Entitled "Telecommunications Facilities, Wireless" and Chapter 185 entitled 'Zoning' of the Code of the Code of the Town of Newburgh to require that uniform public notice procedures be used for public hearings conducted by the Planning Board and Zoning Board of Appeals, including, *inter alia*, to require posting of notice of public hearings, to require the mailing a notification letter to property owners within 500 feet of the submission of a complete application to the Planning Board, to increase the minimum distance from 300 feet to 500 feet for determining whether a nearby property owner is required to receive notice by mail, to specify certain content requirements for site plan public hearing notices and to authorize the use of first class mailings and affidavits of mailing by Town officers and employees instead of certified mailings; and

WHEREAS, the Town Board of the Town of Newburgh recognizes the importance of sound

planning as a means of promoting responsible development and protecting the health, safety and general welfare of the citizens of the Town of Newburgh and otherwise fulfilling the legislative findings and intent set forth in Town Law Section 272-a and has determined that that the proposed zoning amendment does not require an amendment to the Town's Comprehensive Plan; and

WHEREAS, the Town Board of the Town of Newburgh has caused an Environmental Assessment Form (the "EAF") to be prepared for the proposed adoption of said local law amending the Zoning Code of the Town of Newburgh (the "Action"); and

WHEREAS, the proposed local law was introduced before the Town Board on the 4th day of June, 2012, and the Town Board conducted a public hearing held on the 23th day of July, 2012 and heard all interested parties on said proposed local law; and

WHEREAS, the Town Board has determined that the Action is an Unlisted Action under Part 617 of the General Regulations adopted pursuant to Article 8 of the Environmental Conservation Law and Chapter 100 entitled "Environmental Quality Review" of the Town of Newburgh Municipal Code; and

WHEREAS, the Town Board proposes to undertake, fund and approve the Action and wishes to assume Lead Agency status in connection with the review of the Action pursuant to the State Environmental Quality Review Act; and

WHEREAS, the Town Board has determined that the Action does not involve a federal agency; and

WHEREAS, the Town Board, using all due diligence, has identified no other involved agencies for the Action; and

WHEREAS, the Town Board has identified the following interested agencies for the Action:

Orange County Department of Planning
Town of Newburgh Planning Board
Town of Newburgh Zoning Board of Appeals

and;

WHEREAS, the EAF and other appropriate information were forwarded to the Orange County Department of Planning and the Town of Newburgh Planning Board, together with copies of the proposed local law, in accordance with the requirements of the General Municipal Law and the Town of Newburgh Zoning Code and to the Town of Newburgh Zoning Board of Appeals; and

WHEREAS, the identified interested agencies were notified of the Town Board's intent to

act as the Lead Agency for the Action in a coordinated review; and

WHEREAS, pursuant to Section 617.6(b)(1) of Part 617, “[w]hen a single agency is involved, that agency will be the lead agency when it proposes to undertake, fund or approve a Type I or Unlisted action that does not involve another agency”; and

WHEREAS, the Action is consistent with the adopted Town of Newburgh Comprehensive Plan Update and is also consistent with the Orange County Comprehensive Plan; and

WHEREAS, the Town Board has also considered the consistency of the amendment with the needs and goals identified by the April, 2009 *Tri-County Affordable Housing Study*, conducted jointly by Orange, Dutchess, and Ulster Counties , and the potential affects of the Action on the Town’s ability to meet goals for providing rental and owner occupied affordable housing; and

WHEREAS, recognizing that the impact that an action may have on population patterns or existing community character, with or without a separate impact on the physical environment is a relevant concern in an environmental analysis since the statute includes these concerns as elements of the environment, the Town Board has considered and analyzed information pertaining to those impacts; and

WHEREAS, the Town Board has undertaken further information gathering and these further analyses in recognition that conclusory statements unsupported by empirical or experimental data, scientific authorities or any explanatory information will not suffice as a reasoned elaboration for its determination of environmental significance or non-significance; and

WHEREAS, the Town Board has (i) thoroughly reviewed the EAF, and any and all other documents prepared and submitted with respect to this proposed action and its environmental review, and (ii) thoroughly analyzed the potential relevant areas of environmental concern to determine if the proposed action may have a significant adverse impact on the environment, including the criteria identified in 6 NYCRR Section 617.7(c); and

WHEREAS, the Town Board has not identified relevant areas of environmental concern which would lead to a determination that the adoption of the proposed local law may have a significant adverse effect on the environment either in the short term, long term or cumulatively given the likely consequences, setting, probability of occurrence, duration, irreversibility, geographic scope, magnitude and the number of people affected.

NOW THEREFORE, BE IT RESOLVED:

11.DPW: GIS Consulting Services

MAR 18 2013

**TOWN OF NEWBURGH
COMMISSIONER OF PUBLIC WORKS**
311 NYS Route 32
Newburgh, New York 12550
(845) 564-7813

MEMORANDUM

TO: Wayne Booth, Town Supervisor and Town Board

From: John Platt, Commissioner of Public Works

Date: March 12, 2013

Re: Professional Services, GIS Consulting Services, Bell Engineering, PLLC

Over the last few years, as part of the mandated Stormwater Management Program and MS4 Regulations, the Town of Newburgh started to locate all of the stormwater drainage system outfalls (culvert pipe discharges) and identify their town road locations on a GIS computerized mapping system. However, at the present time, the Town of Newburgh does not have any accurate up to date maps for the water and sewer departments.

The Town's Department of Public Works is now planning to expand this GIS mapping system to include additional layers of information, such as, the location of the edge of pavement of all town roads, all water and sewer main locations (including mains, valves, fire hydrants, pumping stations and water tanks) all available latest parcel and land use data from the Orange County Water Authority and Planning Department and training for Town personnel for collection of data using the Town's handheld Trimble GPS data collector.

The addition of this information to the GIS mapping system would be considered a professional service and I have solicited a proposal from Mr. Philip Bell, Principal, Bell Engineering, PLLC to assist us in gathering this new information. Mr. Bell when working for MH&E Engineers was instrumental for setting up the original GIS program for the Town. It would seem logical that we continue with his services due to his previous knowledge of our present mapping system.

The costs associated with this upgrade are as follows:

Highway Department- \$9,200.00 from budget line 5112-0408, GIS

Water Department - \$2400.00 from budget line 8340-0499, Other Expenses

Sewer Department - \$2400.00 will be proportioned to all Sewer Districts under their respective budget lines 8130.0499, Other Expenses.

As the above requires Town Board action, I am requesting that this item be placed on the next available agenda for approval. If you have any questions or comments, I am available to discuss them with you. Thank you.
