Re: **PROPOSAL** - Preparation of a Water Quality Improvement Program (WQIP) Grant  
Application to extend municipal sewer mains to the West Side of Orange Lake

Dear Scott and Town Board Members:

Based on the Engineering Report we have prepared using an Environmental Planning Grant awarded to the Town of Newburgh and our call last week with residents of the Orange Lake Homeowners Association (OLHA), we understand the Town is interested in pursuing a Water Quality Improvement Program (WQIP) Grant to support the extension of sewer collection mains to the West Side of Orange Lake.

The NYSDEC administers the WQIP as part of the Consolidated Funding Application process. One of the priority project categories in past funding rounds is the construction of sewer services to replace on-site residential septic systems that are causing impacts to important water bodies. We know Orange Lake is listed on the State's Priority Waterbodies List, and the Town and Orange Lake homeowners have supported extensive testing and research about Orange Lake water quality and impacts from nearby septic systems.

The WQIP can fund between 40% and 75% of the construction costs for several types of priority wastewater improvement projects, including replacement of inadequate septic systems. I would prepare the 2023 WQIP application for a lump sum of **\$4,600**, including all narratives, budget forms, certifications, and any formatting changes needed for the Engineering Report C.T. Male has already developed. We would invoice the Town only after submission of the WQIP Application, presumably at the end of July.

I have included a Short Form Contract for preparation of the 2023 WQIP Application. Please contact me if there are any other questions about funding strategy or the WQIP Application process. Thank you for your consideration.

All extra work to be authorized by CLIENT in writing prior to commencement by C.T. MALE ASSOCIATES.
2. **OWNERSHIP OF DOCUMENTS AND/OR ELECTRONIC MEDIA FILES:** All tracings, specifications, computations, survey notes and media files and other original documents as instruments of service are and shall remain the property of C.T. MALE ASSOCIATES unless otherwise provided by law. CLIENT shall not use such items on other projects without C.T. MALE ASSOCIATES' prior written consent. C.T. MALE ASSOCIATES shall not release CLIENT's data without authorization.
3. **LIMITATIONS OF PROBABLE COST ESTIMATES:** Any estimate of the probable construction cost of the project or any part thereof is not to be construed, nor is it intended, as a guarantee of the total cost.
4. **APPROVAL OF WORK:** The work performed by C.T. MALE ASSOCIATES shall be deemed approved and accepted by CLIENT as and when invoiced unless CLIENT objects within 30 days of the invoice date by written notice specifically stating the details in which CLIENT believes such work is incomplete or defective.
5. **DELAY:** Any delay, default, or termination in or of the performance of any obligation of C.T. MALE ASSOCIATES under this Agreement caused directly or indirectly by strikes, accidents, acts of God, shortage or unavailability of labor, materials, power or transportation through normal commercial channels, failure of CLIENT or CLIENT's agents to furnish information or to approve or disapprove C.T. MALE ASSOCIATES' work promptly, late, slow or faulty performance by CLIENT, other contractors or governmental agencies, the performance of whose work is precedent to or concurrent with the performance of C.T. MALE ASSOCIATES' work, or any other acts of the CLIENT or any other Federal, State, or local government agency, or any other cause beyond C.T. MALE ASSOCIATES' reasonable control, shall not be deemed a breach of this Agreement. The occurrence of any such event shall suspend the obligations of C.T. MALE ASSOCIATES as long as performance is delayed or prevented thereby, and the fees due hereunder shall be equitably adjusted.
6. **TERMINATION:** Either party to this Agreement may terminate upon mutual agreement, in writing to the other party. Further, this Agreement may be terminated without cause upon thirty (30) days written notice to the other party that the cancelling party no longer desires to be in this Agreement. In the event of any termination, C.T. MALE ASSOCIATES shall be paid for all services rendered to the date of termination, as well as for all reimbursable expenses and termination expenses. For purposes of this section, the failure of the CLIENT to pay C.T. MALE ASSOCIATES within thirty (30) days of receipt of an invoice shall be considered such a substantial failure. In the event of a substantial failure on the part of the CLIENT, C.T. MALE ASSOCIATES, in addition to the right to terminate set forth in this paragraph, may also elect to suspend work until the default in question has been cured. No delay or omission on the part of C.T. MALE ASSOCIATES in exercising any right or remedy hereunder shall constitute a waiver of any such right or remedy on any future occasion.
7. **INDEMNIFICATION:** CLIENT shall indemnify, defend and hold C.T. MALE ASSOCIATES harmless for any and all loss, cost, expense, claim, damage, or liability of any nature arising from: (a) soil conditions; (b) changes in plans or specifications made by CLIENT or others; (c) use by CLIENT or others of plans, surveys, or drawings unsigned by C.T. MALE ASSOCIATES or for any purpose other than the specific purpose for which they were designed; (d) job site conditions and performance of work on the project by others; (e) inaccuracy of data or information supplied by CLIENT; and (f) work performed on material or data supplied by others, unless said loss was solely caused by C.T. MALE ASSOCIATES' own negligence.
8. **LITIGATION:** Should litigation be necessary to collect any portion of the amounts payable hereunder, then all costs and expenses of litigation and collection, including without limitation, fees, court costs, and attorney's fees (including such costs and fees on appeal), shall be the obligation of the CLIENT.
9. **REPLACEMENT OF SURVEY STAKES:** C.T. MALE ASSOCIATES, if included in Paragraph A of the Agreement, will provide necessary construction stakes. In instances where it is determined that negligence on the part of the CLIENT or others results in the need for restaking, the cost of such restaking will be billed as an extra to the CLIENT on a time basis. It will be the CLIENT's responsibility to provide adequate protection of the stakes against his own negligence or the negligence of those working for or with him and against vandalism by others. If staking is ordered by the CLIENT or others prematurely and construction does not take place, it will also be the CLIENT's responsibility to protect said stakes until such time as construction takes place.
10. **MAPPING:** Areas obscured by dense vegetation or shadow will be labeled as "DENSE WOODS", "SHADOW", or "OBSCURED AREA". C.T. MALE ASSOCIATES cannot certify as to the accuracies within these areas. Field verification of such area(s) must be undertaken and is not included within the scope of this Agreement unless explicitly stated.
11. **OBSERVATION AND TESTING OF CONSTRUCTION, SAFETY:** The observation and testing of construction is not included herein unless specifically agreed upon in the Scope of Services as set forth in Paragraph A of this Agreement. It should be understood that the presence of C.T. MALE ASSOCIATES' field representative will be for the purpose of providing observation and field testing. Under no circumstances is it C.T. MALE ASSOCIATES' intent to directly control or supervise the physical activities of the contractor's workmen to accomplish the work on this project. The presence of C.T. MALE ASSOCIATES' field representative at the site is to provide the CLIENT with a continuing source of information based upon the field representative's observations of the contractor's work, but does not include any superintending, supervision, or direction of the actual work of the contractor or the contractor's workmen. The contractor should be informed that neither the presence of C.T. MALE ASSOCIATES' field representative nor observation and testing personnel shall excuse the contractor in any way for defects discovered in his work. It is understood that C.T. MALE ASSOCIATES will not be responsible for job or site safety on the project.
12. **RESTRICTIONS ON USE OF REPORTS:** It should be understood that any reports rendered under this Agreement will be prepared in accordance with the agreed Scope of Services and pertain only to the subject project and are prepared for the exclusive use of the CLIENT. Use of the reports and data contained therein for other purposes is at the CLIENT's sole risk and responsibility.
13. **RISK ALLOCATION:** The CLIENT agrees that C.T. MALE ASSOCIATES' liability for damages to the CLIENT for any cause whatsoever in connection with this project, and regardless of the form of action, whether in contract or in tort, including negligence, shall be limited to the greater of \$50,000.00, or C.T. MALE ASSOCIATES' total fee for services rendered on the project.
14. **CLIENT RESPONSIBILITIES:** Client shall be responsible for providing all reasonable assistance required by C.T. MALE ASSOCIATES in connection with Services, including, without limitation, any assistance specified in the Proposal. In particular, Client will provide the following:  
Reasonable ingress to and egress from the Site by C.T. MALE ASSOCIATES and/or its subcontractors and their respective personnel and equipment.

MALE ASSOCIATES in performing Services and/or to successfully carry out the project.  
Prior to any boring, drilling, and/or excavation work being commenced by C.T. MALE ASSOCIATES, the specific location(s) of such work will be provided to Client. Prior to any boring, drilling, excavation or other intrusive subsurface activities on the Site, Client or Client's representative shall identify any private and public subsurface obstruction or utility that Client or its representative knows or believes to exist at the Site. C.T. MALE ASSOCIATES, at its discretion, may contact the local public utility locator and, if agreed by Client, a private utility locator to determine the existence and location of subsurface obstruction or utilities. Client or Client's representative will provide C.T. MALE ASSOCIATES with prior approval of each location where C.T. MALE ASSOCIATES will carry-out any intrusive activity on the Site. Client agrees that if C.T. MALE ASSOCIATES or its subcontractor causes damage to a subsurface obstruction or utility that was not properly identified by Client, or marked by the public utility locator or private utility locator, if any, the Client shall indemnify, defend and hold harmless C.T. MALE ASSOCIATES, its officers, directors, employees and independent contractors from and against any and all claims, costs, fines, or other liability arising out of, or in connection with any damage to any such subsurface obstruction or utilities, except to the extent such claims, costs, fines, or other liability are caused by C.T. 18. **MEDIATION:** CLIENT and C.T. MALE ASSOCIATES agree to make every effort to resolve all claims, disputes or controversies arising out of, or in relation to the interpretation, application or enforcement of this agreement through mediation. The parties further agree that the CLIENT will require, as a condition for participation

In striving to eliminate discrimination in the workplace, it is our policy to deal only with subcontractors, vendors, suppliers, and other affiliates who recognize and support equal employment opportunity and comply with all applicable State and Federal Equal Employment Opportunity laws and regulations including the annual filing of Standard Form EEO-1.

MALE ASSOCIATES shall maintain all required records for three years after final payment is received and all other pending matters are closed.

**Grant Documents:** All materials and documents created for this project shall become the property of the Town of Newburgh and can be used by the Town throughout the term of the grant and after the grant is over or in the event of any termination of the grant, provided that the Town will use said documents and materials solely for this grant that is the subject of this Agreement. Upon any termination or at the end of the grant, the Town shall have the exclusive right to request copies of all documents from C.T. MALE ASSOCIATES and shall have use over any and all documents created for the grant or used during the grant, again, provided that the Town will use said documents and materials solely for this grant that is the subject of this Agreement.
