

## **COCOA LANE HOMEOWNERS ASSOCIATION**

**January 9, 2015**

**To Whom It May Concern:**

I have lived on Cocoa Lane for 19 years. To my knowledge, the Cocoa Lane Homeowners Association does not have any paper work processed or processing with the state or county for the road. I don't believe there has ever been any such documentation assembled or handed in.

Sincerely,

A handwritten signature in black ink, appearing to read "Rob Dorrmann", with a long horizontal line extending to the right.
