**INTRODUCTORY LOCAL LAW #_ OF 2012
A LOCAL LAW EXTENDING THE MORATORIUM ON PERMITS AND
APPROVALS FOR
ADULT-ORIENTED BUSINESSES**

BE IT ENACTED by the Town Board of the Town of Newburgh as follows:

SECTION 1 - TITLE

This Local Law shall be referred to as “A Local Law Extending the Moratorium on Permits and Approvals for Adult-Oriented Businesses”.

SECTION 2 – LEGISLATIVE FINDINGS, PURPOSE AND AUTHORITY

A. The Town Board of the Town of Newburgh hereby finds that:

(1) the Town does not currently regulate or impose operational requirements related to the establishment and operation of adult-oriented businesses within the Town;

(2) adult-oriented businesses appear to be unavoidably associated with unlawful, unhealthy and detrimental effects secondary to the constitutionally protected speech activities of such businesses;

(3) included among the secondary effects which appear to be associated with adult-oriented businesses are: negatively affecting economic development and revitalization; a tendency to decrease property values, thereby limiting tax revenues; impeding economic activity; encouraging criminal activity, particularly when such businesses are located in concentration; proliferating sex-related criminal enterprises; damaging neighborhood character and the well-being of residents including children; and increasing the cost of maintaining and patrolling areas in which such businesses are located;

(4) further study of the secondary effects of adult-oriented businesses is necessary as a precursor to possibly amending the Zoning Code of the Town of Newburgh and its associated maps and tables to address such effects and is recommended by the adopted Town of Newburgh Comprehensive Plan Update;

(5) the Town Board of the Town of Newburgh, by resolution dated the 4th day of April, 2012, found that a dire necessity exists for the moratorium established by Local Law # 1 of the Year 2012 entitled “A Local Law Local Law Imposing a Six Month Moratorium on Permits and Approvals for Adult-Oriented Businesses” on permits and approvals for adult-oriented businesses to afford sufficient time for the Town Board to carefully and diligently review and consider whether there are

secondary effects associated with Adult-Oriented Businesses in order to further consider possibly amending the Zoning Code of the Town of Newburgh and its associated maps and tables;

(5) during the pendency of the moratorium established by Local Law # 1 of the Year 2012 entitled "A Local Law Local Law Imposing a Six Month Moratorium on Permits and Approvals for Adult-Oriented Businesses", the Town Board of the Town of Newburgh has reviewed and considered numerous and, in some instances, voluminous, studies, reports and written analyzes regarding possible secondary effects of Adult-Oriented Businesses; copies of said studies, reports and written analyzes are on file and available for public inspection at the office of the Town Clerk of the Town of Newburgh;

(6) the Town Board of the Town of Newburgh duly conducted a Public Input Session on the 14th day of August, 2012 at 7:00 o'clock p.m. to receive the comments, if any, of members of the public regarding possible secondary effects of Adult-Oriented Businesses, provided that such public comments were based on each member's personal knowledge and observation;

(7) during said Public Input Session several members of the public related their personal experiences regarding possible secondary effects of Adult-Oriented Business; a copy of the minutes of said Public Input Session are on file and available for public inspection at the office of the Town Clerk of the Town of Newburgh;

(8) at the conclusion of said Public Input Session, the Town Board of the Town of Newburgh advised the public that the Town Board would receive and consider any written submissions any member of the public wished to submit regarding possible secondary effects of Adult-Oriented Business;

(9) members of the public provided such written submissions, including additional studies, reports and written analyzes, provided either in hard-copy or electronic format, regarding whether negative secondary effects are associated with Adult-Oriented Business; copies of said submissions are on file and available for public inspection at the office of the Town Clerk of the Town of Newburgh;

(10) the Town Board of the Town of Newburgh reviewed and considered both the public comments made during the Public Input Session and memorialized in the minutes of the Public Input Session and the written submissions on file at the office of the Town Clerk of the Town of Newburgh;

(11) The Town Board of the Town of Newburgh by resolution adopted on the 5th day of September, 2012 ascertained that:

- a. Adult-Oriented Businesses, as said term is defined by Local Law # 1 of the Year 2012 entitled "A Local Law Local Law Imposing a Six

Month Moratorium on Permits and Approvals for Adult-Oriented Businesses”, and their adult patrons have a constitutionally-protected right to offer and view non-obscene, sexually explicit materials and activities; and

- b. Adult-Oriented Businesses are associated with unlawful, unhealthy and detrimental effects secondary to the constitutionally protected speech activities of such businesses and that included among the secondary effects associated with Adult-Oriented Businesses are: negatively affecting economic development; a tendency to decrease property values, thereby limiting tax revenues; impeding economic activity; encouraging criminal activity; proliferating sex-related criminal enterprises including solicitation and prostitution; damaging neighborhood character and the well-being of residents including children; and increasing the cost of maintaining and patrolling areas in which such businesses are located; and
- c. Said secondary effects of Adult-Oriented Business represent a real and significant problem and hazard to the public health, safety and welfare of the Town of Newburgh, its residents and businesses; and
- d. After careful and diligent review and consideration, that the members of the Town Board reasonably believe that the studies, reports and written analyzes, the public comments memorialized in the minutes of the Public Input Session and the written submissions are relevant to the problem and hazard faced by the Town of Newburgh and posed by said secondary effects of Adult-Oriented Businesses;

(12) a Local Law Amending Chapter 185 entitled “Zoning” of the Code of the Town of Newburgh to Provide for the Regulation of Adult-Oriented Businesses was introduced before the Town Board of the Town of Newburgh on September 17, 2012 and a public hearing scheduled for October 15, 2012 pursuant to the provisions of the Municipal Home Rule Law;

(13) the local law was additionally referred to the Orange County Planning Department, the Town of Newburgh Planning Board and the Town of Newburgh Zoning Board of Appeals for their respective reviews and reports;

(14) the extension of the moratorium period is necessary to ensure that the Town Board has sufficient time to review and consider public comments it receives on the introductory local law and to ensure that it comports with the rights of adult-oriented businesses and their patrons to engage in all constitutionally protected speech activities inherent in such businesses, while protecting against harmful secondary effects to the greatest extent possible consistent with law;

(15) it is desirable to extend the moratorium imposed by Local Law No. 1 of 2012 of the Town of Newburgh on the issuance of any use permit, variance, building permit, business license or other applicable entitlement for the expansion

of an existing, or the establishment of a new, adult-oriented business, except within a specified zoning district as hereinafter provided; and

(16) it is necessary to extend the moratorium imposed by Local Law No. 1 of 2012 of the Town of Newburgh in order to protect the public health, safety, and welfare.

B. The intent of the Town Board in enacting this Local Law is to limit the harmful secondary effects of adult-oriented businesses so that the Board may, in a prompt and orderly fashion, complete its consideration of the possible amendment to the Zoning Code and its associated maps and tables for the purposes of mitigating such effects. The intent of the Board is not to limit constitutionally protected expressive activity and, to this end, this Local Law is not intended to prohibit the continued operation of currently existing adult-oriented businesses or prevent the establishment of new adult-oriented businesses in compliance with the content-neutral, time, place and manner restrictions established by this enactment.

C. This chapter is enacted under the authority of the New York State Constitution, Article IX, § 2; the New York State Municipal Home Rule Law, Article 2; the relevant provisions of the Town Law for the State of New York; and the general police power vested with the Town of Newburgh to ensure the health, safety and welfare of all the residents and all the property owners within the Town of Newburgh.
