**SUBJECT: COLANDREA SUNSHINE FORD PARKING EXPANSION**

Dear Mr. Osborne:

This office has received the following plans referenced to the subject project.

1. Slope stabilization project Sunshine Ford – Lincoln Mercury prepared by Gardner Engineering dated 20 May 2013. (multiple sheets)
2. Offsite drainage system Colandrea Sunshine Ford prepared by Shaw Engineering last revised 24 November 2006.
3. Concept plan Sunshine Ford prepared by Shaw Engineering dated 5 November 2010.

This information has been submitted in support of a proposed zoning amendment on the subject site.

The project proposes the construction of an additional 81 car storage lot between the existing Colandrea facility and Putnam Street. A separate project involves the reconstruction of a retaining wall which is currently in disrepair on the property. The project proposes to re-route storm water from the Colandrea facility into a modified closed pipe drainage system to the existing storm water collection system in Putnam Street. The re-routed system is required as a proposed storm water management pond is identified in the vicinity of the existing storm water conveyance system. The conceptual design for the storm water pond identifies approximately 4 feet of storage proposed with an outlet control structure connecting to the existing 24 inch diameter pipe within Putnam Street. The pipe within Putnam Street conveys flow in a closed pipe drainage system in a generally east direction down Putnam Street across Stewart Avenue into an easement area and then in a northerly direction to the Brookside Pond drainage/ wetland area. The concept plan contains an additional storm water collection line on the easterly most portion of

Mr. Wayne Booth, Supervisor  
Town of Newburgh  
1496 Route 300  
Newburgh, New York 12550

**Re:** Requests of Cosimo J. Colandrea and Sunshine Ford-Lincoln, Inc. of the Town of Newburgh.

Dear Supervisor Booth,

As per our previous correspondance and meetings, Mr. Colandrea again respectfully requests Town Board approval of a zoning change of lands he owns along Putnam Street that abuts the Sunshine Ford-Lincoln dealership to be utilized as a portion of the Sunshine Ford-Lincoln dealership operations for additional parking and new car storage. This requested zoning change would be from the present R-3 zone to an I-B zone.

Please find attached 5 sets of concept plans date 10-11-2012 by Shaw Engineering Sheet 1 of 1 and associated landscape plan of the subject site as presented by Esposito & Associates for the Towns review.

Mr. Colandrea also again requests the following related Town Board actions in conjunction with the Master Plan Development of the subject site.

- The purchase of 4,750 Square feet of the dead end portion of Boulder Road from The Town of Newburgh as per previously submitted certified survey for a price yet to be determined. The property was appraised to the Town of Newburgh in 2007 at a value of \$ 4,000.00.

Mr. Wayne Booth, Supervisor  
Town of Newburgh

- Mr. Colandrea is prepared to grant certain rights of way over Town of Newburgh Water line mains that run through Boulder Road and the Sunshine Ford-Lincoln, Inc. dealership as per previous submitted certified survey.

Please contact me or Mr. Colandrea (845) 565-5800 should you require any additional information in these requests of the Town of Newburgh.

Thank-you in advance for your kind review and consideration of these requests.

Very truly yours,

Motion passed: 4 yes; 0 no; 1 abstain; 0 absent

*Invoice #130647 in the amount of \$1,225.49 was approved after item 15B.*

**6. ZONING REQUEST: Colandrea/Sunshine Ford**

Dominic Cordisco, attorney for the applicant, and Gregory Shaw of Shaw Engineering, came before the Town Board. Cosimo Colandrea and Sunshine Ford are requesting approval of a zoning change of lands he owns along Putnam Street that abuts the Sunshine Ford-Lincoln dealership for additional parking and new car storage. This zoning change will change the current zoning of R-3 zone to the I-B zone. The request is necessary for renovations that the dealership is planning.

Mr. Colandrea is requesting the purchase of 4,750 square feet of the dead end portion of Boulder Road from the Town of Newburgh. He previously submitted a certified survey and the property was appraised in 2007 at a value of \$4,000.00.

Mr. Colandrea is willing to grant certain rights of way to the Town of Newburgh water line mains that run through Boulder Road and the Sunshine Ford-Lincoln dealership which was previous submitted to the Town in a certified survey.

Mr. Shaw said there are three things that the applicant is asking for. They are as follows:

- > To purchase Boulder Road from the Town
- > They will give the Town an easement to the water main located in Boulder Road
- > A change in the zoning line from its present location to Spruce Street.

Councilwoman Greene said a public notice will have to be sent to the surrounding neighbors and a public hearing will have to be conducted.

Supervisor Booth will ask the applicant to schedule a public informational meeting prior to the public hearing.

Mr. Taylor asked if the residence on the lot next to the Grenada's property will remain or will it be demolished.

Mr. Colandrea said everything will remain the same unless they purchase the Grenada's property.

Mr. Taylor asked the applicant to prepare and submit to the Town an environmental assessment form addressing the following:

- The rezoning
- The abandonment and sale of Boulder Road
- The acceptance of the water main

When the EAF is sent to the Town the SQRA process will commence and a public hearing will be scheduled.

Mr. Taylor and Mr. Cordisco will draft the Local Law for this zoning change.

The Town Board decided to accept the existing 2007 appraisal for Boulder Road.

**7. ZONING REQUEST: Nella's Nest/Roberts Roofing**

Tobias Lake, attorney representing Nella's Nest North Corporation, and Kevin Roberts, president of Nella's North, came before the Town Board.

Mr. Lake said Mr. Roberts is requesting an amendment to the Town's zoning code to permit storage buildings of up to 50% of the size of the principal building as accessory uses to professional offices in the IB zoning district. The Town's Code currently allows professional storage units only in the B zone.

Mr. Lake said currently the IB district allows the following:

- storage units in other areas other than professional offices
- allows for principle uses but not accessory storage at a professional office

Councilman Piaquadio is in favor of amending the Town Code to allow professional offices in the IB zone to have the ability to have a storage building.

The Town Board discussed the meaning of buildings under the Town Code.

Mr. Taylor said the Town Board can add containers to the structures that are allowed or they can be referred this matter to the Zoning Board.

Supervisor Booth said it has to be determined

- If containers are allowed
- Will the containers be required to have screening
- Should they be fenced

He suggested that the Town define containers and also put in the regulations on how they can be used.

Mr. Taylor advised putting the regulations into definitions.

Councilman Woolsey asked to have the Planning Board and the Zoning Board make a recommendation to the Town Board.

Mr. Taylor said the Town Board has to submit a suggested Code Amendment to the ZBA before they can give their recommendation.

Re: Zoning Change for Restaurants and Banks

Dear Town Board Members,

This correspondence is to confirm my approval of the requested zoning change to allow both standalone restaurants and banks in the IB zone. There are already such uses in the IB on individually owned properties and restricting this use for future businesses will only prohibit growth in our main business corridor.

Sincerely,
