**DATE:** December 2, 2022

**RE:** Budget Transfer

As you know we are having difficulty ordering vehicles due to supply change issues and will not be able to secure our vehicles/trucks that we have appropriated in the current 2022 budget at \$620,000.00

I have discussed this situation with Ron and he suggested that we do a budget transfer, taking money from our equipment line (D.5130.5200) and moving it to the interfund transfer line (D.9902.5900).

I would like to transfer this amount from the Highway Fund to the Capital Fund-Highway-Equipment (H.8087) purchases, and use this money to purchase my equipment that was budgeted for as the likely hood of us acquiring and ultimately purchasing by the end of the year seems unlikely at this point in time.

The submittal of this report is required as part of the NY Bridges and Culverts Grant program. NYSDOT funding of this project may also impact the level of construction inspection services required. NYSDOT funding is for construction only.

As the above requires Town Board approval, I request it be put on the next available agenda.

If you have any questions, I am available to discuss them with you.
