Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

<input type="checkbox"/>	Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.
<input type="checkbox"/>	Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.

RE: Gladys Vargas Cuevas
D.O.B: 12/22/1956

To: Whom it may concern,

I am writing this letter on behalf of my mother Ms. Gladys Cuevas to attest for her disability and functioning limitation. This is important because my mother suffers from psychiatric disability and needs my supervision and assistance whenever she experiences symptoms of anxiety attacks, depression, and panic attacks. My mother also suffers from mobility impairment.

She is seen by Dr. Paulette Ginsburg, psychiatrist. She can be reached at Tel#: 718-283-8135, Fax#: 718-283-6161 psychiatric for ongoing psychiatric treatment and medication management. She also sees Dr. Chisai Tse for medical follow up. He can be reached at Tel#: 718-283-6980, Fax#: 718-635-6750. My mother does not have a driver's license due to her severe and recurrent anxiety attacks which is triggered by the fear of getting into a car accident.

As a result, I need to supervise and care for my mother's health situation here with me at 300 Lakeside Road, Newburgh, NY 12550. So please approve the conversion of the garage into a one bedroom or a studio apartment as my house has only three bedrooms enough for me and my two children.

If you have any questions or concerns please feel free to contact us at 347-486-0584.

Best regards,

Celia Molina
