Dear Chairman Manley and Members of the Board:

I am writing on behalf of the applicant, Autumn Sky Development, Inc., regarding the two above-referenced applications pending before your Board. At its August ZBA meeting, your Board adjourned the public hearing on both of these matters in order to allow us to gather and provide more information to support our position for your consideration for your deliberation on this matter.

In order to gather the information necessary and provide a full record to your Board, we are requesting a further adjournment on the matter to your October meeting.

We will commit to supplying all relevant information we will be requesting you consider two weeks prior to your October meeting date.

Thank you in advance for your attention to this matter, and look forward to appearing before your Board at the October meeting to present and discuss the new information we intend to submit.

Yours very truly,
