Jerry,

I spoke to Frank today. I advised it looks as though he has to meet all bulk requirements except lot area and width.

He advised that he thought they could, except they would also rely on Section 185-18 C 3 for existing lots to reduce the side yard requirements by 15 feet for each yard.

He confirmed the lots are and will remain in separate ownership.

If you have any further concerns or want to have a conference call or meeting with Frank please let me know. Otherwise you'll likely be receiving permit application(s).

Best,

Mark

RESIDENTIAL OUTSIDE SEWER USER AGREEMENT

AGREEMENT made as of the 1st day of June, 2012 ~~xx2010~~, by and between the **TOWN OF NEWBURGH**, a municipal corporation of the State of New York, with principal offices located at 1496 Route 300, Newburgh, New York 12550 for and on behalf of the Crossroads Sewer District, (hereinafter the "TOWN").

AND

BARBARA L. WATT, having an address at P.O. Box 7055, Newburgh, New York 12550, (hereinafter the "OUTSIDE USER").

WHEREAS, the OUTSIDE USER owns real property in the TOWN on Gardnertown Road and shown on the Tax Maps as Section 51, Block 9, Lot 7, (hereinafter the "PREMISES"), and

WHEREAS, the PREMISES are or will be improved by a single family residence and related accessory structures: and

WHEREAS, the Town by resolution of the Town Board has agreed to provide sewer service to the OUTSIDE USER provided OUTSIDE USER installs all required sewer facilities to bring sewer service to the PREMISES from a location designated by the Town, all such installations are to be at no cost to the TOWN, and in accordance with all applicable regulations, and

NOW THEREFORE, in consideration of the provisions set forth herein, the TOWN and the OUTSIDE USER agree as follows:

1. The TOWN, agrees to provide sewer service to one single family residence at the PREMISES provided OUTSIDE USER brings the required sewer facilities to the PREMISES from a location designated by the TOWN, and the OUTSIDE USER installs all other required facilities necessary so that the TOWN can accept the sanitary sewerage flow from the PREMISES, all at the sole cost and expense of the OUTSIDE USER. The Outside User must commence installation of the sewer facilities

within three (3) years of the date of this Agreement, provided, however, that the TOWN's Town Board may grant a one (1) year extension upon written request submitted by OUTSIDE USER prior to the expiration of the three (3) year period, at the sole discretion of the Town Board, if the OUTSIDE USER has submitted all required governmental applications for the installation. If the Outside User does not commence the installation within the three (3) year period or one (1) year extension, as the case may be, then this Agreement shall terminate and be of no further force or effect. OUTSIDE USER agrees that at the OUTSIDE USER's sole expense a water meter shall be installed on the PREMISES, even if the TOWN does not supply water to the PREMISES, and grants to TOWN, its officers and employees the right to enter the PREMISES to read said meter. The OUTSIDE USER shall additionally install and maintain at its expense a check valve on the sewer connection.

2. The sewer facilities OUTSIDE USER installs shall include a force main having a diameter of not less than one and one half (1 1/2) inches to be installed in the rights of way of Gardnertown Road and Lakeside Road, both TOWN highways (hereinafter the "Gardnertown Road Force Sewer Main"). Such installation shall be made in accordance with all applicable state, county and TOWN requirements and shall be acceptable to the TOWN Engineer. The OUTSIDER USER shall obtain all necessary governmental permits and approvals prior to commencing work on the Gardnertown Road Force Sewer Main, including but not limited to a permit issued by the Town Superintendent of Highways pursuant to Highway Law Section 149, a street opening permit issued pursuant to Town Code Chapter 160 and a sewer connection permit. The OUTSIDE USER agrees to provide the TOWN with a certification from a New York State licensed Professional Engineer acceptable to the TOWN, certifying to the TOWN that the installation of the sewerage facilities is in accordance with all applicable state, county and TOWN requirements. THE OUTSIDE USER agrees further to provide the TOWN with three

sets of “as built” plans for all work on the Gardnertown Road Force Sewer Main, in form acceptable to the TOWN Engineer, as installed by the OUTSIDE USER.

3. The OUTSIDE USER shall provide performance and restoration security in an amount approved by the TOWN BOARD for the timely repair and reconstruction of the streets in which the Gardnertown Road Force Sewer Main is to be installed and for the replacement of any trees bordering the road which may be damaged or killed by the installation of the Gardnertown Road Force Sewer Main (hereinafter the “Sewer Main Restoration Security”). Prior to the issuance of a highway work permit by the TOWN and the commencement of the installation work, the OUTSIDE USER shall first deliver to the Town Engineer a cost estimate for road and tree restoration, and upon approval of such amount or a revised amount, as the case may be, by the Town Board upon recommendation of the Town Engineer, the OUTSIDE USER shall deliver to the TOWN as the Sewer Main Restoration Security, either: (a) a deposit of funds to be placed in an interest bearing bank account by the Town; (b) one or more irrevocable letters of credit or (c) one or more performance bonds (hereinafter singularly the “Performance Security and collectively the “Performance Securities”). Letter(s) of credit shall be issued by a bank reasonably acceptable to the Town, located and authorized to do business in the State of New York, and performance bond(s) shall be issued by a surety reasonably acceptable to the Town authorized to do business in the State of New York. The Performance Securities shall be acceptable to the Attorney for the Town as to form and manner of execution. In the event letters of credit are issued for a term of years in accordance with the Banking Law of the State of New York with consecutive renewal periods, then in such event the letters of credit shall contain provisions requiring the issuing bank to serve a notice in writing on the Town Clerk at least thirty (30) before the expiration of the term of

such letter(s) of credit if the issuing bank elects not to renew or re-issue such letter(s) of credit. In the event of election by the issuing bank not to renew or re-issue such letter(s) of credit, such election shall for all purposes be deemed a default by the OUTSIDE USER in performance of this Agreement and the TOWN shall be entitled to draw on the letter(s) of credit such amounts as the Town Board in its sole discretion determines are necessary to cover the cost of all restoration work remaining to be performed, regardless of whether there exists any other default in the performance of this Agreement. Any balance of such draws remaining on hand after the Town Board has adopted a resolution finding the restoration has been fully performed, shall be returned to the OUTSIDE USER or issuing bank or surety, as the case may be.

4. In consideration of the TOWN's agreement to provide sewer service to the PREMISES and other good and valuable consideration the receipt of which is hereby acknowledged, the OUTSIDE USER does hereby irrevocably offer to dedicate and transfer to the TOWN all of the OUTSIDE USER's right, title and interest in and to the installed Gardnertown Road Force Sewer Main. The OUTSIDER USER covenants that it shall maintain good right to convey the Watt-Gardnertown Road Sewer Main to the TOWN free from all mortgages, liens, encumbrances or other security arrangements. The TOWN may accept this irrevocable offer of the Watt-Gardnertown Road Sewer Main at such time as the Town Board in its sole discretion determines that such acceptance serves and benefits the Crossroads Sewer District. The OUTSIDE USER agrees to execute such other documents and instruments as may be required for the dedication and acceptance to be completed. Until the TOWN accepts the dedication of the Gardnertown Road Force Sewer Main by formal action

of the Town Board, the OUTSIDE USER shall be solely responsible for the maintenance and repair of the Gardnertown Road Force Sewer Main, as well as all other sewer facilities OUTSIDE USER installs. The OUTSIDE USER shall indemnify, save, and hold the TOWN harmless from all claims, judgments, costs, awards, liabilities, damages, suits or expenses of any kind arising from the installation, placement, operation, repair and maintenance of the Gardnertown Road Force Sewer Main prior to the Town's acceptance of dedication, including any expenses that may be incurred in enforcing this Agreement, including but not limited to reasonable fees of the TOWN'S attorney and court costs. In the event the OUTSIDE USER fails to timely make any repair which the Town reasonably determines necessary to the Gardnertown Road Force Sewer Main following delivery of written notice by the TOWN, the TOWN may undertake such repairs and the OUTSIDE USER shall promptly reimburse the TOWN for the expense thereof upon receipt of an invoice for such work. In the event the OUTSIDE USER defaults on such reimbursement, the TOWN shall, in addition to all other available remedies, have the right to place a lien upon the PREMISES. The OUTSIDE USER shall obtain and maintain liability insurance covering death, bodily injury, property and environmental damage arising from the Gardnertown Road Force Sewer Main until the main's dedication is accepted by the TOWN. The insurance policy shall conform to such reasonable policy limits as the TOWN from time to time, but no more frequently than annually, may notify the OUTSIDE USER are acceptable. Upon request, the OUTSIDE USER shall deliver to the TOWN certificates of insurance evidencing such coverage which shall provide that the insurer will not cancel or change the insurance policy without first giving the TOWN thirty (30) days prior

written notice. Unless the TOWN otherwise agrees, it shall be named as an additional insured for the insurance policy. No connections other than the PREMISES and one single family residence located upon the tax parcel designated as Section 51 Block 9 Lot 8 are to be permitted to the Gardnertown Road Force Sewer Main except upon the express written consent of the TOWN following approval by the TOWN's Town Board, and OUTSIDE USER shall take all action necessary, including legal action at OUTSIDE USER's sole cost and expense, necessary to prevent such a connection not approved by the TOWN.

5. Upon the execution of this Agreement by all parties, an original shall be recorded in the Office of the Clerk of the County of Orange to provide notice of the terms and provisions of this Agreement to all subsequent owners of all or any portion of the PREMISES. If the OUTSIDE USER does not fully comply with the terms and conditions of this Agreement and any TOWN issued permit with respect to the installation of the Watt-Gardnertown Road Sewer Main, the TOWN may perform, or cause to be performed, all or any part of the work described herein and may apply all of or any part of such security to reimburse the TOWN for costs incurred thereby. The amount of reimbursement deemed necessary to cover the cost of such work shall be determined solely by the Town Board of the TOWN.
6. The OUTSIDE USER agrees that in the event that the OUTSIDE USER, its contractor, agent or employee causes damage to the sewer lines, facilities or property of the TOWN arising during OUTSIDE USER'S connection to the TOWN'S sewer system that OUTSIDE USER will

indemnify, save, and hold the TOWN harmless and pay any damages that arise to the TOWN'S facilities during the hookup including any expenses that may be incurred in enforcing this Agreement including reasonable fees of the TOWN'S attorney. OUTSIDE USER further agrees to indemnify, save and hold the Town harmless from any and all claims that may arise for damage to the private line to be used by OUTSIDE USER for connection to the TOWN'S system.

7. This Agreement pertains solely to sewer service to one single family residence at the PREMISES and shall not be construed to grant any entitlement to sewer service to any addition buildings or structures on the PREMISES or any other facility constructed or installed on the PREMISES.
8. The OUTSIDE USER agrees to pay such fees and charges for sewer service including but not limited to operation and maintenance charges, usage charges, capital and bonding charges as the TOWN may charge within the time set forth on the TOWN'S bills provided the fees and charges are determined on the same basis and are at the same rate as the TOWN charges users within the Crossroads Sewer District of the Town (hereinafter "CROSSROADS"). The TOWN reserves the right to modify any determination of benefit units should the nature or extent of the PREMISES usage change and adjust all the TOWN'S fees and charges accordingly.
9. The OUTSIDE USER agrees that commencing with the assessment roll and special assessment roll prepared by the TOWN for the next quarterly sewer district billing, and thereafter, all lands and improvements making up the PREMISES shall be assessed, taxed and charged amounts equivalent to those which would be assessed by the TOWN if the said

lands and improvements were situated within CROSSROADS or any extension thereto and OUTSIDE USER agrees to pay said charges. OUTSIDE USER agrees, that commencing with the bills issued based upon the assessment roll, all said charges to the lands and improvements contained in the PREMISES shall be levied and collected as if the lands and improvements were within CROSSROADS or any extension thereto. OUTSIDE USER agrees that TOWN at its sole discretion may determine whether said charges shall be entered on the annual tax bills, quarterly utility bills or otherwise.

10. If OUTSIDE USER, or any subsequent owner of all or any portion of the PREMISES, shall default in the obligation to pay any of the charges set forth in this Agreement and does not cure such default within ten (10) days after receipt of written notice of such default, a lien therefore shall attach to the OUTSIDE USER'S or subsequent owner's property within the PREMISES effective on recording of notice thereof in the Office of the Clerk of the County of Orange. Such lien shall be superior and prior in time to all liens recorded subsequent to recordation of this Agreement as if any such lien had been recorded concurrently with this Agreement. In the event those charges are not paid within ten (10) days after the receipt of written notice of default, all rights of the OUTSIDE USER, its heirs, successors or assigns or a subsequent owner to receive sewer service under this Agreement shall cease and the TOWN reserves the right to immediately discontinue the sewer service. The TOWN may, at its option, enter unpaid operation and maintenance charges and special assessments upon the property tax bill for the PREMISES.
11. The TOWN shall have and OUTSIDE USER hereby expressly grants to it, all legal and equitable remedies now or hereafter available to such a municipality against the property and the owners thereof who shall default in the payment of any tax, service charge or assessment payable to it, to

the same extent and with the same effect as such legal and equitable remedies could be asserted and pursued by the municipality against OUTSIDE USER were the PREMISES located within CROSSROADS or any extension thereto.

12. All rights, title and privileges herein granted, including all benefits and burdens, shall run with the land and shall be binding upon and inure to the benefit of the parties hereto, their respective heirs, executors, administrators, successors, assigns and legal representatives.

13. Every notice, demand, consent, request, approval or other document or instrument ("Notice") required or permitted to be served upon any of the parties hereto shall be in writing and shall be deemed to have been duly served, if personally delivered or if mailed on the date of mailing (it being agreed, however, that, except in an emergency, the time period in which a response must be given to any such notice shall commence to run on the date on which the addressee thereof has received or has refused to receive the same). Mailing shall be by registered or certified United States Mail, postage prepaid, return receipt requested, addressed to the parties at the address set forth in the beginning of this Agreement or to such other address as may hereinafter be designated in writing by either party to the other.

14. The parties acknowledge that the Town is simultaneously entering into an Outside Sewer User agreement with the owner of the parcel designated as Section 51 Block 9 Lot 8 on the tax maps for the Town of Newburgh containing substantially identical terms and conditions. The duties, obligations and liabilities to the Town established hereunder with regard to the Watt-Gardnertown Road Sewer Main shall be joint and several for the OUTSIDE USER and the owner of Section 51 Block 9 Lot 8.

IN WITNESS WHEREOF, the parties hereto have set their hands and seals the day and year first above written.
