Jim,
I have the OC Health Dept waterline extension application for the above referenced project, however , based on our conversation with them, the application must come from the Town. I can fill out most of it and bring it in to you, if that's OK.

Also, does this have to go before the Town Board?

And, as a reminder, can you get a note to the ZBA that this property is in the Water District, before tomorrow nights ZBA meeting?

Thank You!
