Charlie - here is a quick note regarding your application for the above developer sponsored project. Firstly, I have completed the required information and have had Gil Piquadio, Deputy Supervisor sign the DOH application. I also hand delivered the application, Engineer's Report and Plans to the Orange County Department of Health. I anticipate that you will receive their comments in about 3 to 4 weeks.

Sorry for the delay in processing your application.

If you have any questions, please feel free to contact me.

James W. Osborne

Town Engineer
