Dear Chairman and Zoning Board Members,

With respect to the reserved decision for 12 Bannerman View Drive (s/b/l 22-4-6) for the above referenced applicant, I have completed putting together the information required for the Orange County Health Department to approve the water line extension and left four copies with Jim Osborne, PE for submission. I anticipate Health Department approval prior to the **September** ZBA meeting, therefor, I am respectfully requesting that the decision on this application be reserved for another month. Thank you for your attention to this request,

Charles T. Brown, PE
