This landscaping shall be accomplished through either retention of suitable existing vegetation and/or the introduction of new plantings. Natural planting and, where necessary, earthen berms shall be employed to buffer adjacent properties from vehicle storage areas. All landscaping, buffers, screening, and setbacks shall conform to the requirements set forth in §185-21.
- F. Adequate lighting and appropriate signage shall be provided based upon convenience and safety considerations and applicable Town standards as set forth

in this Zoning Chapter. No lighting shall cast objectionable glare upon adjacent properties or roadways.

Section 5

If any word, clause, sentence, paragraph, section or part of this local law or the application thereof to any person or circumstance shall be adjudged by any court of competent jurisdiction to be unconstitutional, illegal or invalid, such judgment shall not affect, impair or invalidate the remainder thereof or the application thereof to any other persons or circumstances but shall be confined in its operation to the clause, sentence, paragraph, word, section or part thereof directly involved in the controversy in which such judgment shall have been rendered. Subject: Authorization for Purchase of Ammunition

I am requesting your authorization to purchase a supply of firearms ammunition for the Police Department, for training purposes as well as for department issue purposes. Each of the above items is priced per the New York State Contract (PC6634). The total cost for the ammunition is \$12,837.27. (Please see attached NYS Bid Price List).

Due to a possible extended timeframe to receive this ammunition, which may be in limited supply due to the ongoing war, I am requesting your authorization to purchase this ammunition as soon as possible. Please be advised there was a significant price increase under the updated New York State Contract.

I am requesting that the amount be disbursed from the account # 3030.499, which has a sufficient amount to cover the cost of this ammunition.

Respectfully Submitted,
