Dear Chairman Scalzo & Board Members:

In reference to the subject application, the Orange Lake Homeowners' Association was provided by the Applicant a package of information at our March 2, 2020 board meeting for the purpose of discussing the proposed application.

We reviewed the application and polled the Board members and the neighbors who responded to us. It is the position of the Orange Lake Homeowners' Association that this application does not negatively impact any of the surrounding properties. The OLHA recommends this application be approved.

Sincerely,

Gregory R. Danger
