MEMORANDUM

TO: Gilbert Piaquadio, Town Supervisor & Town Board
FROM: James W. Osborne, Town Engineer *JWO*
DATE: October 27, 2020
RE: **Water Supply Budget Transfer**

Based on a shift in the production of treated water from the Delaware Aqueduct supply to Chadwick Lake, personal costs have likewise been shifted from the Delaware Aqueduct Water Treatment Plant to the Chadwick Lake Filter plant. The percentage of costs assumed at the beginning of the year needs to also be shifted to account for this. Therefore, I am requesting Town Board approval of the following budget transfer to re allocate personal costs between the two water treatment plants:

From: F8330.4002.5472 (Consultants – DAT)
To: F8330.4001.5472 (Consultants – CLFP)
Amount: \$160,000

As the above requires Town Board action, I am requesting that this be placed on the next available agenda for approval. If you have any questions or comments, I am available to discuss them with you.

Re: Letter of Credit for Madre De Cristo Road

Dear Mr. & Mrs. Hammond:

This letter is to inform you that Town of Newburgh Highway Superintendent Mark Hall inspected Madre De Cristo Road and determined that the road satisfies the Town of Newburgh's standards and is without defect. Accordingly, given that the two year period for which the Town requires security against defects and maintenance issues following the acceptance of dedication of roads has expired for Madre De Cristo Road, the Town will neither draw upon the Letter of Credit that was provided as security, nor require the Letter of Credit's renewal.

The next Town Board Meeting is scheduled for Tuesday, November 9, 2020 and a motion to authorize the return of the Letter of Credit will be on the Board's agenda for that meeting.

Please feel free to contact me if you have any questions. Thank you.

Sincerely,

Gil Piaquadio
