35 Odell Circle

(51-2-25) R-1 Zone

Dear Ms Gennarelli:

I am requesting a 6-month extension of the Zoning Board of Appeals' approval of my variances, due to unforeseen circumstances that have occurred since the zoning board meeting/approval. First and foremost, the contractor did not have the proper insurance and was unwilling to get it unless I paid the deposit of \$4,000! Needless to say, he is no longer my contractor... My father, to whom I am the primary caregiver, had to have heart surgery. I've had to have a second surgery done on my foot.

Thank you for your cooperation and understanding.

Respectfully,

Gina Ferrari-Falin
