

Dear Betty Gennarelli,

I am writing to seek an extension on the ZBA "approval" to convert 28 Waring Rd ( 65-3-13) into a single family residence. The water and sewer are now tied in to the building and I am in the process securing the proper finances to move forward.

Many thanks for your help.

Sincerely,

A handwritten signature in cursive script, appearing to read "Daniel Hesidence". The signature is written in black ink and extends across the width of the page.
