Ms. Grace Cardone, Chairperson
Zoning Board of Appeals
Town of Newburgh
308 Gardnertown Road
Newburgh, NY 12550

Dear Ms. Cardone and Members of the Zoning Board of Appeals:

At your March 26 meeting, the Board asked us to confer with Central Hudson to ensure that utility lines near our planned accessory building would not pose a safety risk. Not surprisingly, Central Hudson was unable to come to our home the next day, while I was in town for the public hearing. My next opportunity to meet onsite with Central Hudson will be after your April meeting.

We ask that the Board hold our hearing open until the May meeting.

Thank you, again, for your time and attention.

Sincerely yours,
