Ms. Grace Cardone, Chairperson
Zoning Board of Appeals
Town of Newburgh
308 Gardnertown Road
Newburgh, NY 12550

Dear Ms. Cardone and Members of the Zoning Board of Appeals:

We ask that the Board hold our hearing open until the June meeting.

We do not yet have the information we need from Central Hudson. A representative looked at our utility line and said that we will need to schedule a visit with a different representative, from a different department, who can better discuss our options. In addition, on the date of your next meeting, I must be at a conference in Seattle, where I am scheduled to lead a discussion the following morning.

Thank you, again, for your continuing time and attention.

Sincerely yours,

Carol Pauli (Hudelson)
