Request for Use Variance

Dear Chairperson Cardone and Zoning Board Members:

On behalf of the Applicant for the above referenced project, Hudson Land Design (HLD) is requesting that the continuation of the public hearing for the above referenced project that is scheduled for this evening be adjourned to your April 26, 2012 meeting. The reason for this request is that we are still gathering information to determine whether or not the application should be withdrawn, or if the Applicant is going to pursue the Use Variance. We are still attempting to set up a meeting with the Town Supervisor, Town Engineer and Town Attorney to help us make this decision, and will then be in a position to make a decision regarding this open application.

Your anticipated cooperation with respect to this matter is greatly appreciated. Should you have any questions or require additional information, please feel free to call me at 845-440-6926.

Sincerely,

A handwritten signature in black ink, appearing to read "Jon D. Bodendorf".
