NOTES:

Unauthorized alteration or addition to a survey map made by a licensed field surveyor is made in violation of section 7209, subdivision 2, of the New York State Education Law.

Only boundary survey maps with the surveyor's professional seal and signature and control copies of the surveyor's original work and notes that should be retained upon other than approved seal copies may contain unauthorized and unfiled modifications, deletions, additions, and omissions.

Each fraction on this boundary survey map signifies that the map was prepared in accordance with the current existing Code of Practice for land surveys adopted by the New York State Association of Professional Land Surveyors (the Code Practice) is limited to general land surveying. The Code Practice map is prepared, by the land surveyor, in the governmental agency, and to the land surveyor filed on the boundary survey map.

This survey is subject to any change of an accurate extent of the

Subsurface structures and utilities which were not visible at the time of survey have not been shown.

This survey map was generated using CAD drawing techniques. No change, addition or deletion can be made to this map without written consent from the land surveyor, P.L.L.C. All notes on this map must be transmitted to ALL and ALL other CAD maps using ANY of this map's information.

CERTIFICATION:

I hereby certify to the parties of interest listed below, that this map shows the results of an actual field survey completed on 06/09/2010
