Dear Planning Board:

In March of this year the Planning Board granted an extension to the preliminary site plan approval for the Polo Club Site Plan. This approval is due to expire on September 29, 2013. Since that time, we have been working trying to obtain the required County and State approvals. At this time, we would respectfully request that you place the matter on your next available Planning Board agenda for consideration of a six month extension, to provide us additional time to finalize the necessary approvals. With this extension the approval would be valid until March 29, 2014.

Thank you in advance for your consideration. Should you have any questions please don't hesitate to contact this office.

Sincerely,
Engineering Properties, PC
