

To Whom It May Concern:

We are writing you in response to the letter we received from the Town of Newburgh Zoning Board in regards to Adam and Sandra Shapiro's variance requests. Please utilize this letter in lieu of our attendance at the Hearing scheduled for Thursday, October 24th. We have been neighbors to the Shapiro's for the past 13 years or so and watched these newlyweds at the time create a wonderful family. After all these years, we have come to view each other as family and rely on one another as such. They are responsible and caring individuals and we have missed them these past 3 ½ months. We wanted to let the board know that we are in support of the Shapiro's building the addition to their home and keeping the pre-existing toy room for their minor children. Adam and Sandra have always kept us apprised of what their intentions were and have been and we are 100% in support of what the plans state. We believe that not only will this addition bring much needed space to their growing family, but also add value to their home and our neighborhood as well.

Thank you in advance for your time and consideration.

Sincerely,

Mr. + Mrs. Reynolds
