Dear Members;

I am writing regarding the notice received of the public hearing by mail. I wish to make a comment on the submitted application for interpretation on 2102 Partners LLC. I live in the neighborhood and I am impacted by this business as it significantly changes our neighborhoods character. I wish to join my neighbors to support them in **opposing** an interpretation that finds that this business is the same and falls under the original Use Variance. They are clearly different businesses that do completely different functions. This operation should not be allowed to continue with this new business.

Sincerely,

Kristine Schade
