

Town of Newburgh Zoning Board  
308 Gardnertown Road  
Newburgh, NY 12550

February 14, 2017

Dear Town ZBA Members:

This letter is regarding the upcoming hearing of 2102 Partners LLC (WCC Tank Technology) on February 23, 2017. I have lived on Forest Road for many years and enjoy the areas residential and rural character. This business should not have ever received approval to operate in an AR Zone of the Town of Newburgh. I would like the Zoning Board to know that I stand in support of my many Neighbors that are significantly impacted by the introduction of this new business. This new business has nothing to do with the original approved business and I want the Zoning Board to know that I oppose any interpretation that finds this Hydrovac Excavation Business is one in the same, they are not.

Sincerely,

A handwritten signature in blue ink that reads "Nicholas P. Dellanno".
