Town of Newburgh Zoning Board of Appeals
308 Gardnertown Road
Newburgh, NY 12550

Dear Members of the Board:

I attended the Town of Newburgh Zoning Board of Appeals hearing last night concerning WCC Tank Technologies.

During that meeting, Mr. Conklin took me up on my offer to hire a company to test the "spoils" on the parcel in question. I am pleased that this is part of the public record, as I am particularly interested in testing expeditiously for heavy metals, chemicals and pesticides. I understand that the cost of such testing is in the \$750-\$1500 range and am offering to do so at a mutually agreeable time for the sake of the community at large, and the neighborhood in particular.

I am grateful that Mr. Conklin has agreed to this testing, and unless I hear otherwise, I will reach out to him shortly to follow-up.

Sincerely,

A handwritten signature in cursive script, appearing to read "Nancy Munoz".
