

A photograph of a gravel driveway in a snowy winter setting. The driveway is a dark, textured path leading into a wooded area with many thin, bare trees. The ground is covered in snow, and there are large mounds of snow on either side of the driveway. A red caution tape is strung across the path in the background. A handwritten note is overlaid on the bottom center of the image.

building has been
set back 25' more
from original
location. Building
is now 57' from
driveway instead
of 32' from driveway.
